There were several revisions to the list of Departments, Boards and Commissions between Sept. 30, 1967 and Mar. 31, 1968, all of which have been incorporated in the Government Organization Chart facing p. 128. The major changes include the re-naming of the Department of the Registrar General to the Department of Consumer and Corporate Affairs, the establishment of the Canadian Radio-Television Commission replacing the Board of Broadcast Governors and the Canadian Broadcasting Corporation, and the integration of the National Museums of Canada (the Museum of Natural History, the Museum of Human History, the Museum of Science and Technology and the National Gallery of Canada) under a newly formed Board of Trustees.
