¹Cannot be reported separately for manufacturing and non-manufacturing activities but related substantially to manufacturing activity.

²Includes production and related workers, administrative and office employees, sales, distribution and other employees; excludes working owners and partners.

³Includes supplies used in both manufacturing and non-manufacturing activity.

⁴Includes shipments of goods of own manufacture, value of shipments of goods purchased for resale and other operational revenue.

⁵Value of total operational revenue less total cost of materials, supplies, fuel and electricity used and goods purchased for resale in the same condition; all adjusted for inventory changes where required.
