

This list of books about Canada, compiled by the National Library of Canada, is a selective bibliography of works published during 1976, 1977 and 1978 (except for two works published in 1975) in the social sciences and humanities. It is intended to assist all readers interested in Canadian materials. The publications are arranged alphabetically by author or title under the following subject headings: general reference works; biography; fine arts and performing arts; linguistics and literature; country and people; sports; general history; regional history; economics; government and politics, law; sociology; education; religion; environment; science and technology. Titles are listed in the language in which they are published. This listing does not replace the national bibliography. For additional works, the reader may consult the monthly and annual compilations of *Canadiana*.
