

SCHEDULED AIR PASSENGER ORIGIN AND DESTINATION, 1987

Top 10 domestic city pairs

Most domestic passenger flights either start, end, or pass through Toronto. The greatest passenger exchange is between Montreal and Toronto, with more than 1.2 million passengers travelling by air between these two cities.

During the past 10 years, the number of passengers carried by Canadian commercial air carriers increased 43%, passenger-kilometres 46%, and operating revenues 169%.
