Statutory deposits and coin, and Bank of Canada notes are averages of the months in the year shown; the monthly levels are averages of the four consecutive Wednesdays ending with the second last Wednesday of the previous month until January 1981. Effective February 1981, monthly levels are averages of the four consecutive Wednesdays ending with the second Wednesday of the previous month. Bank of Canada deposits and secondary reserves are also averages of the months in the year shown; however, the monthly levels are calculated as an average of the juridical days in that month. From February 1988 to January 1981 the required primary cash reserve ratios were 12% for Canadian dollar demand deposits and 4% for Canadian dollar notice deposits. As of February 1, 1981, the required ratios were 12% for reservable Canadian dollar demand deposits 2% for reservable Canadian dollar notice deposits. As of February 1, 1981, the required ratios were 12% for reservable Canadian dollar notice deposits. She for the amount by which a bank's reservable Canadian dollar notice deposits. She for the amount by which a bank's reservable Canadian dollar notice deposits. She secondary reserve requirement was set as follows: 8.5% in December 1971, 8% in January 1972, 7% in December 1974, 6% in January 1975, 5.5% in February 1977 and 4% in December 1981.

18.8 Classification of chartered bank deposit liabilities payable to the public in Canada and in Canadian currency, as at April 30, 1984-87 (number of accounts)
