Foreign Claims Commission

Lester B. Pearson Building
Tower C, 7th Floor
125 Sussex Drive
Ottawa, Ontario K1A 0G2
(Mail: PO Box 432, Ottawa, Ontario K1N 8V5)
Information: Ottawa/Hull (613) 995-7707 or 992-0976.

The Foreign Claims Commission deals with claims against foreign countries with which Canada has agreements or is in the process of negotiating agreements, for compensation to Canadians whose property has been nationalized or otherwise taken

without compensation. When such an agreement has been concluded, the Commission makes recommendations to the Secretary of State for External Affairs and the Minister of Finance on the eligibility of individual claimants for compensation and on amounts of compensation to be awarded.

Ministers to whom the Commission reports:
Secretary of State for External Affairs
Minister of Finance

Forestry Canada

Place Vincent Massey
351 Saint-Joseph Boulevard
Hull, Quebec
(Mail: Ottawa, Ontario K1A 1G5)

Regional offices: Victoria, Edmonton, Sault Ste Marie, Chalk River, Val D'Or, Rimouski, Fredericton, St. John's.

Information: Ottawa/Hull (819) 953-2312.

Forestry Canada consists of: Policy, Planning and Economics, Industry Trade and Technology, Forest Science and Forest Development directorates. Policy Planning and Economics is responsible for the development of policies for forest renewal and related research and development, plus strategic and operational planning for the management of the program. The Forest Science Directorate administers the planning, co-ordination, evaluation and development of its programs as well as Canadian Forestry Service research operations and technical services to ensure that a greater body of scientific and technical knowledge of the forest resource will contribute to the effective management, utilization and protection of Canada's forest resources. The Forest Development Directorate is responsible for the implementation and administration of the federal/provincial forestry development agreements, federal forest land management and forest sector labour market development. Industry, Trade and Technology is responsible for all industry research and development through Crown-owned corporations, industrial development activities and the development of trade and markets for forest products.

Minister responsible:
Minister of Forestry
