¹ The populations of Ontario, Quebec, Manitoba and Northwest Territories were adjusted for 1911 according to the provisions of the Boundary Extensions Acts, 1912. ² Populations of Northwest River Arm and Rigolet on Hamilton Inlet have been deducted from Quebec, as these parts were awarded to Newfoundland by decision of the Judicial Committee of the Privy Council, Mar. 1, 1927. The grand total for Canada also contains 485 members of the Royal Canadian Navy who were recorded separately in 1921. ³ Revised since the publication of the 1942 Year Book.
