1925.....	358,344,887	147,563,292	59,597,468	565,505,647	1,089,484,032	2,396,104,380
1926.....	343,595,936	127,765,375	61,455,745	532,817,056	1,067,862,154	2,390,419,484

<sup>1</sup> On obtient le passif net en déduisant du total du passif, tel que l'indique le tableau 48, les items "billets d'autres banques," "chèques d'autres banques" "prêts garantis consentis à d'autres banques canadiennes," et "billets réescomptés" lesquels sont contrebalancés par des crédits équivalents.
