

Statistique rétrospective.—Le tableau 28 permet une comparaison de la production et de la valeur du beurre et du fromage dans les provinces canadiennes en les années 1900, 1910, 1915 et 1920, puis annuellement de 1925 à 1927. Le tableau 29 nous indique la valeur totale de l'ensemble des produits de l'industrie laitière, dans chaque province, pendant les cinq années 1923 à 1927.

28.—Production et valeur du beurre et du fromage de fabrique au Canada, par provinces, 1900, 1910, 1915, 1920 et 1925-1927.

Provinces et années.	Etablissements. nomb.	Beurre de fabrique.		Fromage de fabrique.
