¹ Ces chiffres ne comprennent pas les assurances en vigueur et effectuées par des sociétés fraternelles à charte fédérale. Le montant d'assurance en vigueur de telles compagnies s'élevait à \$179,021,972 en 1938 (chiffres préliminaires). Les chiffres correspondants de 1933-37 sont contenus dans le tableau 18, pp. 1036-1037.

² Pour les chiffres estimatifs de la population sur lesquels ces données sont basées, voir p. 117.

³ En 1937, environ \$85,000,000 et en 1938 environ \$80,000,000 ont été transférés de l'assurance en vigueur au Canada. Ces montants représentent principalement des transferts à des affaires hors du Canada de certaines réassurances classifiées antérieurement comme affaires canadiennes. Ils comprennent aussi des transferts à la rente de contrats pourvoyant aux avantages ou options combinés de l'assurance et de la rente.
