

Pour qu'il n'y ait pas solution de continuité, le tableau 3 conserve la série chronologique établie d'après la matière principale du produit. Des statistiques semblables, groupées d'après la classification type et remontant jusqu'à 1945, figurent au tableau 7, page 636.

3.—Statistique sommaire de l'industrie manufacturière, par groupe industriel, années représentatives, 1917-1950

Groupe industriel et année	Établissements	Capitaux		Em-ployés		Salaires		Coût des matières premières		Valeur nette de la production ¹		Valeur brute de la production	
		nombre	\$	nombre	\$	\$	\$	\$	\$	\$	\$
