

## 2.—Émetteurs de Radio-Canada, 31 mars 1957

NOTA.—Les émetteurs marqués d'un astérisque (\*) sont la propriété de Radio-Canada. Les symboles employés dans la colonne de la puissance signifient: DA-1, une antenne directionnelle, jour et nuit; DA-2, deux antennes directionnelles, une de jour et l'autre de nuit; DA-N une seule antenne directionnelle employée seulement de nuit. Les watts de quelques stations peuvent varier le jour et la nuit, tel qu'il est indiqué.
