dente. Dans les recensements de 1881 et 1891, la valeur seule est donnée pour le beurre et le fromage de fabrique; les qualités sont estimatives. ⁹ Les données de 1941 et des années suivantes représentent le fromage cheddar et autres, faits de lait entier, avant 1941; les chiffres ne comprennent d'autres fromages que pour le Québec.

¹⁰ Avant 1921, cet article ne comprend ni le lait écrémé ni le lait de beurre. ¹¹ Valeur d'origine des expéditions.

¹² Années terminées le 31 mars avant 1931.
