406. The figures in the three preceding tables are taken, in order to show, comparatively, the trade with Great Britain and the United States, from the Trade and Navigation Returns, and are for the fiscal years ended 30th June ; but the returns made by the Montreal Board of Trade of exports to Great Britain, as well as those kept in that country, are for the calendar year, and the following figures show the exports of cattle and sheep to Great Britain in each calendar year since 1882 :—
