When wheat or grain grown in Canada is taken to the United States to be ground and the produce thereof in flour and meal returned to Canada, such produce may be returned free of Customs duty, provided the owner thereof resides near the frontier and more than five miles from any Canadian grist mill at which such wheat or grain could be ground, and that he observes and complies with the following rules:—		
1st. He shall report to the nearest Customs officer the exact quantity of wheat or grain which he is taking out, and such officer shall enter in a book to be kept for that purpose the name of the owner, the date of the transaction, the quantity in bushels and fractions of bushels so to be taken out, and the name and location of the mill and the proprietor thereof where the grinding is to be performed.
