

## AGRICULTURE.

**Prices of Canadian Agricultural Produce.**—Tables 19-23 record the prices quoted during 1915 for Canadian agricultural produce. Tables 19 and 20, furnished by the Board of Grain Commissioners for Canada, show the weekly range of the prices of different grades of wheat, barley, oats and flax at Winnipeg and Fort William; these prices are for the weeks ended Saturday. Table 21 gives the prices quoted for Canadian wheat, wheat flour and oats in British markets. The prices are compiled from the Market Supplements of the *Mark Lane Express*, London, England, and represent the range at the weekly Monday market. Tables 22 and 23 give the prices in British markets of Canadian bacon, hams and cheese; they are taken from the official returns of the English and Scottish Boards of Agriculture and represent, not the range, but the first and second qualities respectively. For the purposes of these tables the English currency, weights and measures have been converted into Canadian equivalent denominations.
