<sup>1</sup> Includes all coal shipped to any point in Ontario from western mines.

<sup>2</sup> Includes 1,793 tons imported from other countries.

**Retail Price of Coal.**—The yearly average price of coal in the leading urban centres of Canada, is given for the years 1922–1924 inclusive in Table 33; the prices in 1924 show, generally speaking, some reduction from 1922.
