

head, 4,239 for export and 147,721 to other provinces. Manitoba received 50,573 head of the Alberta shipments. Total receipts of cattle in Manitoba from other provinces amounted to 225,145, while Ontario received 142,949 head.

The number of live stock marketed in different ways, through stock-yards, through the packers, or by direct shipment for export, is given for the calendar year 1924 in Table 35. In Table 36 are given the statistics of the number of animals marketed through the stock-yards in 1924 by grades. The disposition of the live stock so marketed is given in Table 37.
