Native-born Canadians of Native Parentage.—The information secured at the census of 1921 has enabled a special compilation to be made of third-generation Canadians, i.e., of Canadian-born persons both of whose parents were also born in Canada, and who therefore come into the category described in the United States as "native-born of native parents" Of such Canadians there were no fewer than 4,857,523 in 1921, of whom 1,991,276 were residents of the Province of Quebec, and 1,451,544 of Ontario. The Maritime Provinces also show a high percentage of Canadian-born of Canadian parents. Figures are given by provinces in Table 20, while much more detailed information on this subject may be found at pages 256-293 of Volume II of the Census of 1921.
