¹ Includes wages charged to expenses and to capital.

² Statistics of Bell Telephone Co. in Quebec and Ontario are included in Quebec.

³ Excludes employees and wages for rural systems.

Subsection 3.—Telephone Calls

Systems operating almost 90 p.c. of all telephones in Canada made estimates by actual count on days of normal business and, after adjustment for incompleting calls, holidays, Sundays, etc., the average was multiplied by 365. The long-distance calls in practically all cases were the actual long-distance calls put through or completed.
