

The three Prairie Provinces also suffered in this connection. Manitoba and Alberta, although recording gains over 1946 to establish new maxima, failed to approach the advance in the Canadian total.

The only other province to gain in relative importance in 1947 besides Ontario was British Columbia. Production in this Province rose 32 p.c. over 1946 to establish a new record of \$769,392,000.

3.—Gross and Net Values of Production, by Provinces, 1946 and 1947

Province or Territory	1946				1947			
	Gross Value	Net Value			Gross Value	Net Value		
		Amount	P.C. of Total	Per Capita <sup>1</sup>		Amount	P.C. of Total	Per Capita <sup>1</sup>
	\$	\$	%	\$	\$	%	\$
