<sup>1</sup> Schools for the blind and deaf; these are boarding schools and many of the pupils are from provinces other than the one in which the school is situated. <sup>2</sup> Courses for elementary teachers only; those for secondary teachers are included in university enrolment. <sup>3</sup> Estimated.

The provincially controlled schools are the most important group and account for about 90 p.c. of the total enrolment shown in Table 2. These systems of public elementary and secondary education are financed mainly by local school authorities, assisted by provincial grants. There are private schools in all provinces (i.e., schools
