Subsection 6.—Total Registered Life Insurance in Canada and Business of Canadian Organizations Abroad

Table 23 summarizes the business outside Canada of Canadian life companies and fraternal benefit societies. If to these figures is added the business in Canada of these organizations, as shown in Table 12, p. 1139, total business, internal and external, of all Canadian life insurance companies and fraternal societies may be obtained. Again adding the business in Canada of British and foreign companies and fraternal societies, a grand total is obtained of all life insurance in Canada and of the life insurance business abroad of Canadian organizations; this total is shown in Table 24.
