

## 11.4 Acreages, yields and prices of principal field crops, 1969-73, with average for 1964-68 (concluded)

Crop and year	Area '000 acres	Yield per acre	Production	Average price	Total value <sup>1</sup> \$'000
Tame hay		<i>ton</i>	<i>'000 tons</i>	<i>\$ per ton</i>	
Av. 1964-68	12,688	1.84	23,290	18.71	435,774
1969	12,138	2.03	24,598	18.33	450,977
1970	12,978	2.08	26,958	19.02	512,731
1971	12,354	2.00	24,732	20.04	495,636
1972	12,859	1.86	23,929	23.08	552,356
1973	13,200	2.00	26,448		

<sup>1</sup>Gross value of farm production; does not represent cash income from sales.

## 11.5 Acreages and production of field crops 1972 and 1973, and values 1971 and 1972, by province

Field crop and province	Area ('000 acres)		Total production		Gross farm value (\$'000)	
	1972	1973	1972	1973	1971	1972
