

Le tableau suivant donne la moyenne annuelle du capital payé, l'actif, le passif et les autres détails des différentes banques faisant affaires, pour chaque année, depuis la Confédération, d'après les rapports adressés au gouvernement, tel que requis par l'acte des banques. Ces moyennes sont tirées des douze rapports mensuels faits par toutes les banques durant l'année :—

DÉTAILS DES BANQUES EN CANADA, 1868-1898.

Année.	Capital versé.	Billets en circulation.	*Total sur les dépôts.	Total de l'escompte au peuple.	Passif.	Actif.	Pourcentage du passif à l'actif.
