Les recensements de 1922 et 1923 ont omis les industries de la construction et des réparations; en conséquence ce qui se rapporte à ces industries a été éliminé des recensements de 1917 à 1921, modifiant ainsi les chiffres déjà publiés. Le groupe des "réparations" embrasse les industries suivantes: vêtements sur mesure, teinturerie et blanchissage, réparations aux chaussures, à la bûoterie, aux automobiles et bicyclettes, les ateliers des forgerons et le travail à façon exécuté par les fonderies.
