¹ Dépenses (perception du revenu). Après 1919 les recettes des chemins de fer furent déduites des dépenses, ce qui explique le déclin de ces dépenses à partir de 1920. Les dépenses données ne comprennent pas l'argent dépensé au compte du gouvernement en diverses autres dépenses et, à l'égard les chiffres ne correspondent pas avec les chiffres des Postes donnés au tableau 2-36. Comprend divers déboursés non énumérés. ² Neuf mois. Voir renvoi 1 du tableau 2, page 851.
