**23.—Consommation estimative de lait au Canada, par province, 1939-41**

NOTE.—Les estimations de la consommation contenues dans ce tableau pour 1939 et 1940 reposent sur la relation indiquée entre les relevés des recensements de 1931 et ceux de 1936, tandis que les estimations pour 1940 contiennent des ajustements en raison de certains déclinés dans les quantités utilisées par les ménages fermiers. Toutes les données seront sujettes à révision lorsque les chiffres du recensement de 1941 seront connus.

| Province et année | Consommation de lait et de crème en chopines de lait |               |                 | Consommation quotidienne par bouche, en chopines |             |                 |
