

Les statistiques du commerce extérieur contiennent de nombreuses autres séries de statistiques; mais, comme elles montrent l'histoire de certaines particularités comme le commerce avec le Royaume-Uni, les autres pays de l'Empire Britannique et les Etats-Unis, le commerce de certaines denrées ou groupes de denrées etc., elles paraissent dans d'autres sous-sections qui traitent de ces particularités du commerce.

1.—Commerce du Canada (à l'exclusion de l'or) avec tous les pays, 1919-41

NOTA.—Les chiffres n'existent d'après l'année civile que depuis 1919; les chiffres des années fiscales 1868-1919 se trouvent aux pp. 538-539 de l'Annuaire de 1940.
